Or the system?

criminal JUSTICE

Nothing Cuts Deeper

An ex-con is accused of assault and robbery by a crack-addicted prostitute...but he claims he didn't do it. Someone is lying. But who? Full of unexpected twists, this gripping film, a departure from the usual courtroom drama, follows the case from

crime to arrest to trial. Jennifer Grey plays the DA prosecuting the case; Forest Whitaker is the man without an alibi who insists he's innocent. With Rosie Perez (*Do the Right Thing*) and Anthony LaPaglia, (AS, AL, V) 1:30. Sept. 8, 12, 17, 23, 28

MOVIE WEEKEND

AN EXCLUSIVE PREMIERE EACH NIGHT!

One picture could save
an innocent man from
the electric chair.

The next 48 hours
could be murder...

ROY SCHEIDER

SOMEBODY HAS TO SHOOT THE PICTURE

A condemned man has one last request: to have his picture taken at the moment of his execution in the electric chair. Photographer Roy Scheider reluctantly takes on the grim assignment, but soon becomes involved in a race against time to

prove that the man is innocent. With only 48 hours left, Scheider photographs and interviews those affected by the murder — and uncovers startling evidence. Bonnie Bedelia and Aulis Howard co-star. (AS, AL, V) 1:43. Sept. 9, 12, 16, 22, 24, 27, 30

CASUALTIES OF WAR

"A film to stand alongside and complement... *Platoon* and *Full Metal Jacket*" says *The N.Y. Times* about this searing drama. A new recruit (Michael J. Fox) is shocked when his sergeant (Sean Penn) leads the platoon in the rape and murder of a Vietnamese girl. Refusing to participate, Fox faces a situation that could be more risky than combat. (AL, GV, N, R)
